

WINNERS

2007 Choice Hotels Excellence Awards

Only ten prestigious excellence awards were awarded this year and we were the only Tasmanian property to receive this award. The group consists of approximately 290 properties throughout Australasia and two were awarded to international hotels from Singapore and New Zealand, as such we were one of eight Australian properties to be recognised.

WINNER

2007 Champion of Choice Trevor Donaldson

This is an individual award, in which he was one of fifteen successful operators to be recognised for their individual performance and contribution to the franchise and our valued guests.
